# The Lotto Numbers

Shown here is each time every number was drawn since Feb. 2, 2002 in The Lotto and Dec 16, 2002 in the Pick3.

My recommendation for choosing Lotto numbers is to select one number you believe will be drawn - called a "target" number. Then play only the numbers that have been drawn with your "target" number the most - you'll find this information is in the paragraph below the list of drawings for each number. If you watch, you'll see where you could have won 'something' pretty often if you chose the right target number. I hope you find this information helpful and profitable!
