ATTORNEY GENERAL OF TEXAS

Mr. Gary Grief
Executive Director
Texas Lottery Commission
P.O. Box 16630

OR2015-24881

Dear Mr. Grief:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 588640 (TLC File # L-20404).

The Texas Lottery Commission (the "commission") received a request for "a copy of the FY16 Event Schedule." You claim the submitted information is excepted from disclosure under sections 552.104 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "[a]n interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency[.]" Gov't Code § 552.111. This exception encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, writ ref'd n.r.e.); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office re-examined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined

section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist. v. Tex. Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.); *see* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

You seek to withhold the submitted information under section 552.111 of the Government Code. You state the submitted information reveals recommended promotional events at which the commission is considering holding promotional selling or non-selling events to educate existing and potential players about the lottery, to increase brand awareness, or to promote new lottery games. You state the submitted information is not a final schedule or plan, but rather is a document that is continuously being revised and reflects the advice and opinion of commission staff who created the document. Based on your representations and our review, we find the submitted information consists of advice, opinions, and recommendations of commission employees regarding policymaking matters. Accordingly, we find the commission may withhold the submitted information under section 552.111 of the Government Code.¹
