Dear Ms. Nettles:

I would like to thank you for taking the time to write to me about legislation filed during the 84th legislative session. I always appreciate hearing from great citizens like you who care about the future of our great state of Texas.

This legislative session, the Texas Senate was able to deliver on many promises to Texans. Under my leadership and through the hard work of every senator, major reforms took place this session, including unprecedented levels of funding to secure our border, significant property tax and business tax cuts, greater school choice options, expansion of second amendment freedoms, further defense of traditional marriage, protecting the 1st Amendment rights of Texas pastors, and more.

I invite you to visit my official website, at <https://www.ltgov.state.tx.us/> to contact my office directly and share your thoughts and ideas.

Again, thank you for sharing your comments with me. I encourage you to continue making your voice heard to the officials who represent you, and stay involved in the issues affecting our great state of Texas.

Sincerely,

A handwritten signature in black ink that reads "Dan Patrick".

Dan Patrick  
Lieutenant Governor
