Amended July 11, 2014.

Comment: Since this term is not used in the rules, it is recommended that lotteries do NOT promulgate this definition. The rule is covered in the second paragraph of rule 27 below

NPGRULE 27—GAME DESCRIPTION.

27.1 MONOPOLY Millionaires’ Club is a five (5) out of fifty-two (52) plus one (1) out of twenty-eight (28) lottery game, drawn once a week on a day to be determined by the Product Group, which pays the Top Prize, at the election of the player made in accordance with these rules or by a default election made in accordance with these rules, either on an annuitized pari-mutuel basis or as a lump sum payment of the total cash held for this prize pool on a pari-mutuel basis.

In addition, and only when the Top Prize has been won in a drawing, a second drawing will occur to select winners of Millionaires’ Club Prizes. The number of Millionaires’ Club Prizes to be drawn will be determined using a process announced by the Product Group. A given play may win in the MONOPOLY Millionaires’ Club drawing, the Millionaires’ Club Prize drawing (if any) or both drawings. The drawing process for determining winners shall utilize random number generators, and otherwise shall be determined by the Product Group.

Except as otherwise provided in these rules, all prizes are paid on a single payment fixed amount basis.

To play MONOPOLY Millionaires’ Club, a player shall select five (5) different numbers, from one (1) through fifty-two (52); the terminal or selling system shall always computer pick (1) additional number in the range from one (1) through twenty-eight (28), to comprise the 2nd value in the player’s selection. The second number may be the same as one of the first five numbers selected by the player. The second number shall be represented on the player’s ticket both as a number and as the associated MONOPOLY game board property. Each play sold by a Lottery shall also have a unique non-repeating transactional number associated with that play to be used in determining Millionaires’ Club Prizewinners, if a Millionaires’ Club Prizedrawing is held.

Plays can be purchased for five dollars (U.S. \$5.00), including any specific statutorily mandated tax of a Lottery to be included in the price of a lottery ticket, either from a terminal operated by an agent (i.e., a clerk-activated terminal), from a terminal operated by the player (i.e., a player-activated terminal), or via approved non-traditional play system as provided in Rule 27.6; purchase methods are described in Lottery Rules and Regulations.

Amended July 11, 2014.

Comment: The MONOPOLY Millionaires’ Club drawings shall be conducted on Fridays beginning at 11:15pm ET.

27.2 Claims. A valid ticket or validly registered non-traditional play shall be the only proof of a game play, and the submission of a valid winning ticket to the Selling Lottery or its authorized agent, or recognition on the Selling Lottery’s computer system of a winning validly registered non-traditional play, shall be the sole method of claiming a prize or prizes. A play slip has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected. A terminal-produced paper receipt has no pecuniary or prize value and shall not constitute evidence of ticket purchase or of numbers selected.

27.3 Cancellations Prohibited. A MONOPOLY Millionaires’ Club ticket may not be voided or canceled, even when printed in error. No ticket that can be used to claim a prize shall be returned to the Selling Lottery for credit. Tickets accepted by retailers as returned tickets that cannot be re-sold shall be deemed owned by the bearer thereof.

Amended July 11, 2014.

Comment. Each Lottery should check ticket numbers of returned tickets and report any returned tickets that contain a match for all of the numbers drawn as non-winners after each draw. Good retailer relations may require a Selling Lottery to compensate a retailer for tickets that are misprinted, illegible, or, for other reasons that may be acceptable to the Selling Lottery, cannot be sold by the retailer. This rule permits each Selling Lottery, at its discretion, to compensate a retailer for a returned ticket that is not eligible to win a prize at the time it is returned to the Selling Lottery. To avoid the appearance that a returned ticket is being canceled, the Selling Lottery should require that the ticket not be placed in transit until after the applicable drawing. Returned tickets are accepted only for a Selling Lottery’s auditing purposes and shall have no effect on the outcome of the drawing for which they were issued or reduce the Selling Lottery’s contribution to the TP&MC Prize Pool. Tickets stolen by a retailer’s hired clerk cannot be accepted by the Selling Lottery as returned tickets. Although the rule would permit a Selling Lottery to compensate a retailer for the loss from theft if a lottery wishes to assume such a loss, the tickets cannot be returned to the Selling Lottery. The tickets are owned by, and winning tickets may be claimed by, the retailer.

27.4 Player Responsibility. It shall be the sole responsibility of the player to verify the accuracy of the game play or plays. The placing of plays is done at the player's own risk through the retailer or other Selling Lottery-approved agent that is acting on behalf of the player in entering the play or plays.

27.5 Entry of Plays. Plays may only be entered manually using the lottery terminal or by means of a play slip provided by the Lottery and hand-marked by the player or by such other means approved by the Selling Lottery. Retailers shall not permit the use of facsimiles of play slips, copies of play slips, or other materials to be inserted into the terminal's play slip reader unless they are approved by the Selling Lottery. Retailers shall not permit any device to be connected to a Lottery terminal to enter plays, except as approved by the Selling Lottery.

27.6 Registration of Plays. Non-traditional plays must be registered by the Selling Lottery at a lottery processing site and through a system that meets the requirements established by the Lottery, the Product Group, and the MUSL Security and Integrity Committee.

NPGRULE 28—PRIZE POOL

28.1 Prize Pool. The prize pool for all prize categories shall consist of fifty percent (50%) of each drawing period's sales, including any specific statutorily mandated tax of a Lottery to be included in the price of a lottery ticket, after the prize pool accounts and prize reserve accounts are funded to the amounts set by the Product Group.

Amended July 11, 2014.

28.2 Prize Pool Accounts and Prize Reserve Accounts. An amount up to four percent (4%) of a Lottery's MONOPOLY Millionaires' Club sales, including any specific statutorily mandated tax of a Lottery to be included in the price of a lottery ticket, shall be deducted from a Lottery's MONOPOLY Millionaires' Club Top Prize and Millionaires' Club Prize Pool contributions and placed in trust in one or more prize pool accounts and prize reserve accounts until the prize pool accounts and Lottery's share of the prize reserve account(s) reach the amounts designated by the Product Group. MUSL shall hold all prize pool and prize reserve funds in trust for the benefit of the contributing Lotteries, and shall segregate these funds from any other MUSL Product Group accounts or trusts and from any MUSL operating accounts.

The following prize pool accounts are established for the MONOPOLY Millionaires' Club game: the Top Prize and Millionaires' Club Prize Pool (TP&MC Prize Pool), which is used to fund the immediate Top Prize and Millionaires' Club Prizes and shall consist of the Top Prize and Millionaires' Club Prize pool contributions less amounts to fund the PRA; and the Set Prize Pool Account, which holds the temporary balances that may result from having fewer than expected winners in the set prize categories. The source of the Set Prize Pool Account is the participating Lotteries' weekly prize contributions less actual set prize liability.

The following prize reserve accounts are established for the MONOPOLY Millionaires' Club game: the Prize Reserve Account (PRA), which is used to guarantee payment of the minimum or starting Top Prize and Millionaires' Club Prizes, guarantee the payment of valid, but unanticipated, Top Prize and Millionaires' Club Prize claims that may result from a system error or other reason and to fund deficiencies in set prize payments (subject to the limitations of these rules).

Once the prize pool accounts and the participating Lotteries' share of the prize reserve accounts exceeds the designated amounts, the excess shall become part of the TP&MC Prize Pool. The Product Group, with review and comment of the MUSL Finance & Audit Committee, may establish a maximum balance for the prize pool accounts and prize reserve accounts.

The Product Group may determine to expend all or a portion of the funds in the prize reserve accounts and Set Prize pool account, (1) for the purpose of indemnifying the Lotteries in the payment of prizes to be made by the Lotteries, subject to the approval of the MUSL Board; and (2) for the payment of prizes or special prizes in the MONOPOLY Millionaires’ Club game, limited to Set Prizepool and prize reserve contributions from lotteries participating in the special prize promotion, subject to the review and comment of the MUSL Finance and Audit Committee. The prize reserve shares of a Lottery may be adjusted with refunds to the Lottery from the prize reserve account(s) as may be needed to maintain the approved maximum balance and shares of the Lotteries.

Any amount remaining in the prize pool accounts or prize reserve accounts when the Product Group declares the end of the MONOPOLY Millionaires’ Club game shall be returned to all Lotteries participating in the accounts after the end of all applicable claim periods of all Lotteries, carried forward to a replacement prize reserve account or expended in a manner as directed by the individual Lotteries in accordance with jurisdictional requirements.

Lotteries shall adhere to this Rule unless a different process is approved by the Product Group.

Amended July 11, 2014.

Comment. The Product Group has set the TP&MC Prize Pool deduction rate at two percent (2%). The PRA shall be capped at \$45,000,000. The Product Group may permit individual non-MUSL Lotteries to accumulate prize pool and prize reserve accounts on their own; such Lotteries shall accumulate prize pool and prize reserve funds by percentage in accordance with the above provisions and as directed by the Product Group and shall transfer prize payment contributions to MUSL as directed by the Product Group. Lotteries which accumulate their own prize reserve and prize pool accounts shall report account balances weekly to the Product Group and such accounts are subject to audit by the Product Group. Due to jurisdictional requirements the California Lottery separately determines its prize pool allocations for prize levels 2-10, does not contribute to or participate in the Set Prize Pool Account, and is exempt from the reporting and audit provisions for those prize levels.

28.3 Expected Prize Payout Percentages and Prize Pool Funding.(1)The Top Prize shall be determined on a pari-mutuel basis. The following table sets forth the probability of winning and the probable distribution of winners in and among each prize category, based upon the total number of possible combinations in MONOPOLY Millionaires’ Club, and prize pool funding by prize category. Except as otherwise mandated by jurisdictional requirements, or provided for in these rules, all other prizes awarded shall be paid as set prizes with the following expected prize payout percentages:

Amended July 11, 2014.

Comment: The amount of Millionaires’ Club Prize monies awarded in a Millionaires’ Club Prize drawing shall be determined by the amount of monies available in the TP&MC Prize Pool less amounts needed to fund the Top Prize, rounded down to the nearest one million dollars (\$1,000,000). See Comment to Rule 30.5 regarding guaranteed Top Prize and guaranteed minimum number of Millionaires’ Club Prizes., Due to jurisdictional requirements the California Lottery separately determines its prize pool allocations and prize values for prize levels 2-10.

(a) The prize money allocated to the Top Prize category shall be divided equally by the number of plays winning the Top Prize.

Amended July 11, 2014.

(b) Prize Pool Account Rollovers and Carry Forwards. Any monies not paid for Top Prizes and Millionaires’ Club prizes in the TP&MCPool following a drawing shall roll over and be added to the TP&MC Prize Pool for the following drawing.

The set prize pool (for prizes of one hundred thousand dollars (\$100,000.00) or less) shall be carried forward to subsequent draws if all or a portion of it is not needed to pay the set prizes awarded in the current draw.

Amended July 11, 2014.

(c) Pari-Mutuel Prize Determinations.

(1)(a) If the total of the set prizes awarded in a drawing (prize levels 2-10) exceeds the percentage of the prize pool allocated to the set prizes, then the amount needed to fund the set prizes awarded shall be drawn from the following sources, in the following order:

- (i)** the amount allocated to the set prizes and carried forward from previous draws, if any;
- (ii)** an amount from the PRA, if available, not to exceed twenty million dollars (\$20,000,000.00) per drawing, with the exception that no funds in the PRA contributed by the California Lottery may be used to fund set prize deficiencies.

(1)(b) If, after these sources are depleted, there are not sufficient funds to pay the set prizes awarded, then the highest set prize shall become a pari-mutuel prize. If the amount of the highest set prize, when paid on a pari-mutuel basis, drops to or below the next highest set prize and there are still not sufficient funds to pay the remaining set prizes awarded, then the next highest set prize shall become a pari-mutuel prize. This procedure shall continue down through all set prize levels, if necessary, until all set prize levels become pari-mutuel prize levels.

Amended July 11, 2014.

Comment: Guaranteed Top Prize and guaranteed Millionaires’ Club Prizes shall receive any necessary funds from the PRA to pay those prizes before amounts are available to offset set prize deficiencies. Due to jurisdictional requirements the California Lottery separately determines its prize pool allocations, prize values, and rollovers for prize levels 2-10.

NPG 28.4—FUND TRANSFERS

28.4(a) Prize Funds Transferred. On a weekly basis or as otherwise determined by the Product Group, each Lottery shall transfer, in trust, an amount as determined by the Product Group to be its total proportionate share of the prize contributions less actual set prize liability. If this results in a negative amount, the central office shall transfer funds to the Lottery.

The Product Group may permit individual non-MUSL Lotteries to accumulate prize pool and prize reserve accounts on their own; such Lotteries shall accumulate prize pool and prize reserve funds by percentage in accordance with the above provisions and as directed by the Product Group and shall transfer prize payment contributions to MUSL as directed by the Product Group. Lotteries which accumulate their own prize reserve and prize pool accounts shall report account balances weekly to the Product Group and such accounts are subject to audit by the Product Group. Due to jurisdictional requirements the California Lottery separately determines its prize pool allocations for prize levels 2-10, does not contribute to or participate in the Set Prize Pool Account, and is exempt from these reporting and audit provisions for those prize levels.

28.4(b) PrizeFunds Transferred to Lottery.Top Prize and Millionaires’ Club Prize amounts held by the central office shall be transferred to the Lottery where the Top Prize or Millionaires’ Club Prize was won immediately after the Lottery where the Prize was won validates the prize claim.

Amended July 11, 2014.

28.4(c) Unclaimed Top Prize and Millionaires’ Club Prizes. All funds to pay a Top Prize or Millionaires’ Club Prize that had been collected by the central office and that went unclaimed shall be returned to the Lotteries in proportion to sales by Lotteries for the Prize(s) in question, after the claiming period set by the Lottery selling the winning ticket expires.

Amended July 11, 2014.

Comment: If a Lottery does not contribute funds to the Millionaires’ Club Prize Pool, they shall not participate in the refund of unclaimed prize monies for that prize tier.

28.4(d)Funds shall be collected from each Lottery by wire transfer, electronic funds transfer, or other means acceptable to the Product Group. The amount to be transferred shall be calculated in accordance with the Game rules. The Product Group shall determine collection days.

28.4(e)On a weekly basis or as otherwise determined by the Product Group, each Lottery shall transfer, in trust, an amount as determined by the Product Group to be its total proportionate share of the license and vendor feesand television game show prizes, including studio audience member travel expenses.

NPG RULE 29[Reserved for future use]

NPGRULE 30 PRIZE PAYMENT

30.1 TopPrizes.Top Prizes shall be paid, at the election of the player made no later than sixty (60) days after the player becomes entitled to the prize, with either a per-winner annuity or single lump sumpayment. If the payment election is not made at the time of purchase and is not made by the player within sixty (60) days after the player becomes entitled to the prize, then the prize shall be paid as an annuity prize. An election for an annuity payment made by a player before ticket purchase or by system default or design may be changed to a single lump sumpayment at the election of the player until the expiration of sixty (60) days after the player becomes entitled to the prize. The election to take thesingle lump sum payment may be made at the time of the prize claim or within sixty (60) days after the player becomes entitled to the prize. An election made after the winner becomes entitled to the prize is final and cannot be revoked, withdrawn, or otherwise changed.

Shares of the Top Prize shall be determined as provided in Rule 30.5. Winner(s) who elect a single lump sum payment shall be paid their share(s) in a single payment.

If individual shares of the cash held to fund an annuity are less than \$250,000.00, eachLottery, in itssole discretion, may elect to pay the winners their share of funds of the cash pool to fund the annuity prizes as described in Rule 30.5.

All annuitized prizes shall be paid annually in thirty (30) payments with the initial payment being made in a single lump sum, to be followed by twenty-nine (29) payments funded by the annuity. Except as may be controlled by a Lottery’s governing statute, all annuitized prizes shall be paid annually in thirty (30) graduated payments (increasing each year) by a rate as determined by the Product Group. Prize payments may be rounded down to the nearest one thousand dollars (\$1,000.00). Annual payments after the initial payment shall be made by the Lottery on the anniversary date or if such date falls on a non-business day, then the first business day following the anniversary date of the selection of the Top Prizewinning numbers.

Funds for the initial payment of an annuitized prize or the single lump sum prize shall be made available by MUSL for payment by the Lottery no earlier than the fifteenth calendar day (or the next banking day if the fifteenth day is a holiday) following the drawing. If necessary, when the due date for the payment of a prize occurs before the receipt of funds in the prize pool account sufficient to pay the prize, the transfer of funds for the payment of the full lump sum amount may be delayed pending receipt of funds from the Lotteries. A paying Lottery may elect to make the initial payment from its own funds after validation, with notice to the central office.

If a Lottery purchases or holds the prize payment annuity for a prize won in that jurisdiction, that Lottery’s game rules, and any prize payment agreement with the prize winner, shall indicate that the prize winner has no recourse against the MUSL or any other Lottery for payment of that prize.

In the event of the death of a lottery winner during the annuity payment period, unless prohibited by jurisdictional law, the MUSL Finance & Audit Committee, in its sole discretion excepting a discretionary review by the Product Group, upon the petition of the estate of the lottery winner (the "Estate") to the lottery of the jurisdiction in which the deceased lottery winner purchased the winning ticket, and subject to federal, state, district, or territorial applicable laws, may accelerate the payment of all of the remaining lottery proceeds to the Estate. If such a determination is made, then securities and/or cash held to fund the deceased lottery winner's annuitized prize may be distributed to the Estate. The identification of the securities to fund the annuitized prize shall be at the sole discretion of the MUSL Finance & Audit Committee or the Product Group.

Amended July 11, 2014.

Comment: Due to its jurisdictional requirements, the provisions relating to acceleration of annuity payments to an estate do not apply to the California Lottery. The Product Group set the graduated rate at five percent (5%) per year.

30.2 Millionaires’ Club and Set Prize Payments. All Millionaires’ Club Prizes and set prizes (all prizes except the Top Prize, whether described as “cash” payment prizes or otherwise) shall be paid through the Selling Lottery that sold the winning ticket(s) and at the discretion of the Selling Lottery may be paid by cash, check, warrant or electronic transfer.

A Lottery may begin paying Millionaires’ Club and set prizes after receiving authorization to pay from the central office. If a Lottery, due to jurisdictional law requirements, separately determines low-tier prize amounts, it shall be solely responsible for its low-tier prize liability, and may begin paying low-tier prizes after a drawing when it determines it is appropriate to do so.

Amended July 11, 2014.

Comment: Due to jurisdictional requirements, the California Lottery separately determines its prize pool allocations and prize amounts for prize levels 2-10.

30.3 Prizes Rounded. Annuitized payments of the Top Prize or a share of the Top Prize may be rounded to facilitate the purchase of an appropriate funding mechanism. Breakage on an annuitized Top Prize win shall be added to the first payment to the winner or winners. Prizes other than the Top Prize, which, under these rules, may become single-payment, pari-mutuel prizes, may be rounded down so that prizes can be paid in multiples of whole dollars. Except with regards to Millionaires’ Club and low-tier prizes paid by a Lottery which separately determines its low-tier prize amounts pursuant to Rule 30.2, breakage resulting from rounding these prizes shall be carried forward to the prize pool for the next drawing.

Amended July 11, 2014.

Comment: Due to jurisdictional requirements, the California Lottery separately determines its prize pool allocations and prize amounts for prize levels 2-10.

30.4 [Reserved for future use].

30.5 Funding of Guaranteed Prizes. The Product Group may offer guaranteed minimum Top Prize amounts, guaranteed minimum numbers of Millionaires’ Club winners, minimum increases in the Top Prize amount between drawings, minimum increases in the number of Millionaires’ Club winners between drawings, or make other changes in the allocation of prize money when the Product Group finds that it would be in the best interest of the game.

If a minimum Top Prize amount or a minimum increase in the Top Prize between drawings is offered by the Product Group, then shares of the Top Prize shall be determined as follows:

If there are multiple Top Prize winners during a single drawing, each selecting the annuitized option prize, then a winner's share of the guaranteed annuitized Top Prize shall be determined by dividing the guaranteed annuitized Top Prize by the number of winning plays.

If there are multiple Top Prize winners during a single drawing and at least one (1) of the Top Prize winners has elected the annuitized option prize, then the best bid submitted by the central office’s pre-approved qualified brokers shall determine the cash pool needed to fund the guaranteed annuitized Top Prize.

If no winner of the Top Prize during a single drawing has elected the annuitized option prize, then the amount of cash in the Top Prize pool shall be an amount equal to the guaranteed annuitized amount divided by the average annuity factor of the most recent three (3) best quotes provided by pre-approved qualified brokers submitting quotes.

In no case shall quotes be used that are more than two (2) weeks old, and if less than three (3) quotes are submitted, then the central office shall use the average of all quotes submitted. Changes in the allocation of prize money shall be designed to retain approximately the same prize allocation percentages, over a year's time, set out in these rules. Minimum guaranteed prizes or increases may be waived if the alternate funding mechanism set out in Rule 28.3(c) becomes necessary.

The annuity factor is determined by the best total securities price obtained through a competitive bid of qualified, pre-approved brokers made after it is determined that the prize is to be paid as an annuity prize or after the expiration of sixty (60) days after the winner becomes entitled to the prize. Neither MUSL, the Product Group, nor the Lotteries shall be responsible or liable for changes in the actual amount purchased after the prize payment method is actually known to the central office.

Amended July 11, 2014.

Comment: When the Game begins, and also following a Top Prize win, the Top Prize shall begin at an annuitized amount of fifteen million dollars (\$15,000,000.00) and if the Top Prize is not won shall be an annuitized amount of eighteen million dollars (\$18,000,000.00) and if the Top Prize is then not won shall be an annuitized amount of twenty-one million dollars (\$21,000,000.00) and if the Top Prize is then not won shall be an annuitized amount of twenty-five million dollars (\$25,000,000.00) and shall remain at that amount until the Top Prize is won.

The amount of Millionaires’ Club Prize monies awarded in a Millionaires’ Club Prize drawing shall be determined by the amount of monies available in the TP&MC Prize Pool, less amounts needed to fund the Top Prize, rounded down to the nearest one million dollars (\$1,000,000), but shall in no event be less than the following: When the Game begins, and also following a Top Prize win, there shall be a minimum of ten (10) Millionaires’ Club Prizes awarded if the Top Prize is won for that drawing, and the number of Millionaires’ Club Prizes shall grow at a minimum of two (2) between drawings until the Top Prize is won.

Amounts to pay the Top Prizes and guaranteed Millionaires’ Club Prizes shall first be drawn from the TP&MC Prize Pool. If the TP&MC Prize Pool is insufficient to pay the Top Prize and the minimum guaranteed Millionaires’ Club Prizes, then any deficiencies to pay the Top Prize and Millionaires’ Club Prizes to be awarded shall first be drawn from the PRA, if any; any deficiencies beyond those funding sources shall be provided by the Lotteries in proportion to their sales since the last Top Prize was won.

30.6 Prize Limited to Highest Prize Won. Except for Millionaires’ Club Prizes, the holder of a winning ticket may win only one (1) prize for that ticket’s play and shall be entitled only to the prize won by those numbers in the highest matching prize category. The status of a ticket as a winner based on a match between the play and the Winning Numbers on that ticket shall have no effect on that ticket’s ability to win (if drawn) a Millionaires’ Club Prize.

Amended July 11, 2014.

30.7 Millionaires’ Club Prize Winner. Independent of a ticket’s status as a prize winner due to a match with the Winning Numbers, each ticket in a draw is potentially a winner of a Millionaires’ Club Prize if, on that game draw, Millionaires’ Club Prizes are awarded. If a ticket is a winner under both drawings, the prize paid shall be the sum of both the Top Prize or level 2-10 prize and the Millionaires’ Club Prize.

Amended July 11, 2014.

30.8 Prize Claim Period. Prize claims shall be submitted within the period set by the Lottery selling the ticket. If no such claim period is established, all Top Prize and Millionaires’ Club Prize claims shall be made within one hundred eighty (180) days after the drawing date.

Amended July 11, 2014.

30.9 Subject to the laws and regulations of the Selling Lottery relating to the disclosure of Millionaires’ Club Prize winners, and at the discretion of each Selling Lottery where disclosure is permitted, the name and community of the winner of a Top Prize or Millionaires’ Club Prize will be disclosed in a press conference or in a press release, and further subject to the laws and regulations of the Selling Lottery, the prize winner may be required to participate in a press conference.

Amended July 11, 2014.

A Lottery may offer other discounts, rebates, or promotions as may be approved by the Product Group.

Amended July 11, 2014.

Comment: Rules 36.3 and 36.4 are intended to require Product Group Approval only where the price of the MONOPOLY Millionaires’ Club ticket is reduced or tickets are given away for free for a period exceeding ninety (90) days. A Lottery need not report promotions that do not change the price of the ticket. Promotions that increase the “value” of a ticket or that offer other lottery games free or at a reduced price with the purchase of a MONOPOLY Millionaires’ Club ticket do not need to be reported. The intent of the rule is to require Lotteries assent in circumstances when players might find that they can get the same MCC ticket at a reduced price from another lottery

NPG RULE 38—PRIZE PAYMENTS.

In such a case, the amount determined by the Product Group to be equivalent to the value of the transportation, meals, and lodging expenses for a selected studio audience member may be offset and applied to the registered account holder’s obligations in accordance with the applicable laws in that Selling Lottery’s jurisdiction. Nothing in these rules requires a Lottery to perform offsets against transportation, meals, and lodging provided to studio audience members.
