RE: Open Records Request

Dear Ms. Nettles:

I am in receipt of your letter dated June 3, 2016, addressed to Rebecca Hargrove, CEO of the Tennessee Education Lottery Corporation. In your letter, you request copies of records relating to any considerations, discussions, deliberations, or communications of any kind between the TEL and any and/or all other U.S. lotteries in regards to (i) the alleged or actual manipulation or defrauding of MUSL'S Hot Lotto game and (ii) any other event or incident giving rise to results errors regarding player payouts.

After review of your request, we are unable to provide you with the requested records. Tennessee Code Annotated § 10-7-503(a)(2)(A) requires that our records be made available for public inspection to a citizen of Tennessee.

If you have any questions, I can be reached at (615) 324-6668.

Sincerely,

Andrew M. Morin
